

DE LAUNE CYCLING CLUB

CLOTHING UPDATE

Hi Club Mates,

As mentioned in a previous edition of the DLN, we're transferring the ordering of kit onto an online ordering system, managed by our kit supplier - Bioracer. This means you place orders & pay Bioracer directly. Bioracer then post the kit to each person for a small charge.

The online ordering system is now ready for De Laune to use. Please place your orders via the link below. The window for ordering kit is open until **Sunday 24th October**. Thereafter, the webshop will be open twice per year (February & August). There is a 7 week lead time once the overall club order has been finalised.

The club already holds some kit, which is available immediately and at 2017 prices (likely to be cheaper than current prices). Please contact the club clothing secretary at "de-laune.1889@gmail.com" if you want to buy existing stock - see list below.

In future, the club will reduce the number of garments held in stock to a core set of items (bibshorts & short sleeve jerseys) alongside some accessories. These can be purchased directly from the club clothing secretary, but keep in mind that some sizes may run out, in which case you'll need to wait to order via the twice yearly web shop.

Process to order kit via Bioracer Webshop

- Each person places orders via Bioracer web shop - link here: <https://www.bioracer.co.uk/en/mybioracer/?r=wzaZir4c2Y>
- **Payment** is made directly to Bioracer. Club subsidy of 30% is applied at checkout.
- **Delivery of Kit:** Members pay postage - £5.00 for UK orders / £15 international orders
- **Returns:** No returns, so please ensure you order the correct size.
- **Sizing:** Bioracer sizing charts can be viewed below. For illustration, here are the sizes used by some current club members: 5ft 11 inch / 73kg male wears (a) size 2 s/s jersey (b) size 3 bib shorts. Note: this is a tight race fit.
- 6ft 2 inches / 90kg male wears (a) size 5 s/s jersey (b) size 5 bib shorts (c) size 5 skin suit
- 5ft 10inches / 88kg male wears (a) size 4 s/s jersey (b) size 4 or 5 bib shorts
- **Sizing Chart:** <https://www.bioracer.com/en/team-clothing/size-chart-bioracer>
- **Accessories:** Bioracer requires a minimum number of pieces to be ordered (usually 10). Place your order so demand can be seen - the club will then decide if this is sufficient to hold the difference in stock if threshold is not met. Bioracer will refund items where club decides demand is not sufficient.
- **Main Garments:** No minimum orders, so please order the range that best suits you
- Professional - club fit with a more comfy cut
- Race Proven - race fit with an closer aerodynamic cut

Thanks
